January 2010

Thank you for your enquiry about our catering services. We are pleased to enclose our menu packages which show you how extensive our buffet styles are. Whilst we are sure you will find a menu style suited to your own personal taste and budget, you also have the option of selecting your own menu from our range of foods and we will be delighted to quote accordingly for you. A separate brochure is available for sandwiches and finger buffets.

DELIVERY

The buffet of your choice is delivered to your home, office, showroom or factory, freshly prepared and garnished on smart black and white crockery. The crockery will normally be picked up by our driver on the following day. Delivery and set up for your buffet is charged according to your postal area. Please ask for a quotation.

TABLEWARE

Some customers prefer disposable tableware, but real crockery and cutlery is available for hire if required and the hire price includes the cost of washing when returned which leaves you free to enjoy the party! Prices for disposables or crockery vary in price depending if you select a one or a two course buffet requiring cutlery, dinner plate and sweet bowl. Again we would be delighted to quote you for this facility.

PAYMENT

We are pleased to open accounts for Corporate Clients and issue invoices by e mail. Payment is due 14 days after the date of the invoice. Payment can be made by BACS, cheque or credit card.

For private clients, payment can be made by cash, cheque, Debit or Credit Card and payment must normally be made in advance or on delivery.

CANCELLATION / ALTERATION OF BOOKINGS

Final numbers for Hot & Cold Buffets and Canapes must be confirmed 48 hours in advance of the booking. BookaBuffet reserves the right to charge the full cost of any abortive work as a result of cancellations or alterations after this deadline.
